PETITIONS OFFICE

PETITION TO REVIVE UNDER 37 C.F.R. § 1.137(B)

Commissioner for Patents
Washington, D.C. 20231

Sir:

This is a petition to revive the above application under 37 C.F.R. § 1.137(b) due to unintentional abandonment. The application became abandoned because the inventors' declaration was not filed in response to a notice of missing parts that was apparently mailed on November 13, 2000 to the address of the prior attorney of record. A power of attorney and revocation of prior powers and a Rule 3.73(b) certification were filed in the Patent Office by the undersigned attorney on February 16, 2001. Copies of those papers are enclosed.

With this petition, Applicants submit the inventors' declaration and the \$130 fee for the submittal of the declaration. The entire delay in filing the inventors' declaration from the due date for filing the inventors' declaration until the filing of this petition was unintentional. The petition fee of \$1,240 set forth in 37 C.F.R. § 1.17(m) is also submitted herewith.

The Office is respectfully authorized and requested to charge any additional required fee to our Deposit Account No. 13-2855. A duplicate copy of this petition is enclosed.

If there is any question regarding this petition, it is respectfully requested that the undersigned representative of Applicants be contacted at the telephone number set forth below.

Respectfully submitted,

MARSHALL, GERSTEIN & BORUN
